Hi Steve:

EPA has agreed to accept your counter-offer of \$50,000 to resolve the three SPCC Roosevelt inspections. As you know, I am leaving EPA and Amy Swanson will be concluding this matter and sending a combined complaint and consent agreement (CCCA) to you once she gets acquainted with the file.

Thank you for working cooperatively with the EPA. I have appreciated your talents on the cases we have shared.

My best to you,

Brenda Morris
